Handling Package manual ML version

Item no. 26086

This package enables you to change the coating batch within a very short time and thus make your production even more economical. Included in the package, is the manual RoRo-Mobil with set-down station. This allows the second substrate table, also included, to be changed as quickly as possible.

Scope of delivery:

- 1 RoRo-Mobil (manual lift table)
- 1 Substrate table ø400 - 6s
- 1 parking station ø400 RoRo ML double
